Hackathon Experience

IncubateDFW Organizer

Aug 2016

Lead sponsorship team and worked on the hackathon experience for IncubateDFW, one of the 19 global IncubateX hackathons focused on entrepreneurship and tech. Experience working with teams to plan large events.

HackDFW 2nd Place

Apr 2016

Largest hackathon in the world with about 2000 competitors, primarily college students.

EagleHacks, Github Sponsored Challenge

Apr 2016

Hack|ED 1st Place

Feb 2016

Employment

SecondGen

Product Manager of Camps

Jul 2016 to Current

Designing the SecondGen entrepreneurship camp scheduled to open this coming summer.

The Study Center

Coach and Instructor

Jul 2016 to Aug 2016

Taught various tech skills such as animation and 3D game development to students from first to tenth grade.

Projects

Audio Visualizer

Generates a 3D wave visualization corresponding to any song or sound. Web app developed with JavaScript.

Sigil

Uses input from real life hand movement, to cast spells in a virtual environment. Based on the patterns the user draws, different spells can be cast. Developed in Unity and C#.

DropANote

Mobile app uses geocoding to allow users to drop a digital note at their physical location. Other users that walk by that same physical location can temporarily see the note after it is dropped. For iOS and developed in Swift.

Activities

Smplfy COO

Apr 2016 to Current

Cofounder of startup whose current project is Insight, a belt designed for the visually impaired that uses ultrasonic sensors to map out the surrounding area and alert the user of what obstacles surround them through unique patterns of vibrations.

Trinity Valley School Computer Science Team

Mar 2015 to May 2016

President and Founder

Competed in many competitive computer science events, primarily hackathons. Developed organization skills by planning for activities and events.

Volunteering

American Field Service (AFS) · Returnee Liason

2014 to Current

Work with foreign exchange student in the U.S. at AFS orientations to help them adjust to U.S. culture. Reinforce interpersonal skills by working and communicating with students from different backgrounds and cultures.
