EXPERIENCE

On Demand Brands, LLC, Boston, MA
Android Developer Intern

May 2015 – September 2015
www.binitshah.com/+fytflow

- On Demand Brands provides services to enable members to get into the flow of a healthier lifestyle.
- Implemented Fyt Flow's IoT services on Android using Android Studio and Java.

Tech Club, Medfield, MA
Founder

October 2014 – January 2016
www.binitshah.com/+techclub

- Founded Tech Club, a nonprofit club to enable young students to find a passion for technology and programming.
- Met weekly with 15 students for eight meetings a session to cover the basics of coding and create fun websites and games.
- Built the club from the ground up; including software, posters, website, lectures, promotional material, email lists and more.

SOFTWARE PROJECTS

Aspen
Android Platform

February 2016 – May 2016
www.binitshah.com/+aspen

- Follett's Aspen Management system allowed administrations to manage students and their data.
- Developed the Aspen app to allow students easy access to their grades, schedules, and homework.

Chatbot Portfolio
Web Platform

September 2016 – Present
www.binitshah.com

- Designed a chatbot using Microsoft Bot Framework to act as a resume alternative for website visitors.

AWARDS

2015 Youth Volunteer of the Year

March 2015

- Awarded Honor Award by Member of Congress, Joe Kennedy.
- Awarded Recognition Award by 114th Congress United States Senator Elizabeth Warren.
- Awarded Recognition and Appreciation Award by Town of Medfield on March 17th 2015 for Tech Club.
- Awarded Recognition Award by Robert A. DeLeo, Speaker of the House of the Commonwealth of Massachusetts.

CAMPUS INVOLVEMENT

Epic Intention

September 2016 - Present

- Working with a team to develop an Android app for National Center for Civil and Human Rights.

Startup Exchange
