

Danny Andreini

3250 Aberdeen Rd • Shaker Heights, Ohio 44120
Phone: 216-338-6242 • E-Mail: da30@rice.edu

Education:

- **B.S. Computer Science, Rice University, Class of 2020**
- University School – Hunting Valley, Ohio
 - 4.08/4.00 Unweighted GPA

Work Experience:

- Co-Founder Vamonos LLC (2014 – Present)
 - Vamonos! is an iPhone and Android application intended to eliminate the need to text while driving.
 - The app allows users to select a variety of prewritten text messages to send before they start driving to a location. That message will send to a contact only once the user enters a certain selected geographic area.
 - I lead interface design, marketing, and business strategy.
 - The iOS version of the app is currently in public beta: <https://vamonosapp.io>

Awards:

- 2015 Believe in Ohio Business Plan Competition: Grand Prize of \$10,000
- Winner of 2015 Teen Tech Tank Regional Business Plan Competition. As winner, I was able to pitch Vamonos! to Daymond John - founder of FUBU and co-star of ABC's entrepreneurial show Shark Tank.
- 1st Place University School Entrepreneur Cup two years in a row: 2014, 2015
- 1st Place University School Tech Cup two years in a row: 2014, 2015
- 1st Place 2015 Veale Business Plan Competition (Regional Competition)
- 1st Place 2015 Lake Erie College Business Plan Competition

Skills:

- UI/UX Design (Illustrator, Photoshop, Lightroom)
- Some experience with Python/Django

Relevant Course Work:

- Fall: Computational Thinking, Multivariable Calculus, Introductory Economics
- Spring: Algorithms, Fundamentals of Computer Engineering

Extracurricular Activities / Interests:

- Rice University Computer Science Club
- Rice University Chess Club
- Computers (Designing and Coding):
 - Co-founded my high school's CS club
 - Skills in photo editing (Adobe Lightroom and Photoshop), and computer graphics (Adobe Illustrator)
 - Used Python and Django to build myself a simple, personal blog website
