Education

Berkeley Springs High School, Accelerated High School Diploma, 2015

Experience

Sales and Management

Keystone Novelties LLC

Tent Operator, Summer 2015 and 2016

Assistant Route Manager, Summer 2012

Assistant Tent Operator, Summer 2008, 2009, 2010

I began with Keystone as an assistant tent operator I helped run a seasonal fireworks tent and handled merchandising, fireworks sales and customer service. In 2012 I assisted a route manager overseeing 8 tents. I participated in hiring and firing, prepped and trained tent operators, supervised tent sales. I also provided tech and general support to both the tent operators and the route manager, and processed financial data as well as large amounts of money. I handled all of the loading/unloading of gear and merchandise and performed frequent troubleshooting. In 2015 and 2016 I ran my own tent giving me full responsibility and the ability to make a commission on top of a salary.

Computer & Marketing

Community for Alternative to Violence

Computer and Marketing Assistant, October 2014 - May 2016

Responsible for managing and editing a web page, managing and updating multiple social media pages, editing promotional pieces and assisting with technical issues in the office.

Head of Technology, Marketing, and Outreach, May 2016 - August 2016

Responsible for managing and editing a web page, managing and updating multiple social media pages, editing promotional pieces and assisting with technical issues in the office. I helped to write a grant and was a part of the fundraising team that dealt with interviews from our potential sponsors. Was the liaison between CAV and multiple high schools in different counties. Helped create, document, and invite people to events hosted by CAV for community outreach.
