OBJECTIVE

Attain a position in which I am able to gain valuable work and technical experience in areas related to my field of study.

EDUCATION

The University of Texas Rio Grande Valley, Edinburg, Texas
Bachelor of Science, Computer Engineering, Expected: December 2016
GPA 4.0

SKILLS

Computer: C++, Java, HTML, CSS, Bootstrap, JavaScript, jQuery, PHP, Laravel, MySQL
Languages: Fluent in English and Spanish; able to speak, read, and write in both

EXPERIENCE

UTRGV Computer Science Department, Edinburg, Texas

Teaching Assistant, January 2015 – Present

- CSCI 3333 – Algorithms and Data Structures
- CSCI 4341 – IBM Watson Project
 - Learned IBM Watson's platform and API in less than two weeks to lead the development of the project prototype that would be used for the class.
 - Assisted the class as the platform expert on all matters related to developing on IBM Watson.
- CSCI 6370 – Information Retrieval and Web Search Engines
 - Assisted as an undergraduate teaching assistant in a graduate course.

ACTIVITIES

Association for Computing Machinery, UTRGV Chapter

- President, January 2016 – August 2016
 - Worked on the chapter's transition to the new regulations and guidelines introduced by the university following its merger.
 - Introduced a number of changes in management to revitalize the chapter and make it relevant once again among students.
- Vice-President, May 2015 – January 2016

Hack & Make Creative Coalition

- Treasurer, September 2015 – August 2016
