

# Brando Lugo

McAllen, TX

brando.lugo@gmail.com - 9565340021

I currently study Computer Science; I mainly develop software using computer languages such as C# and C to code and design small programs.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

## WORK EXPERIENCE

### **Air Drop Support Technician**

US Army - Fort Richardson, AK - August 2010 to February 2016

#### Responsibilities

I maintained a warehouse of parachutes on pallets for upcoming missions, I inspected, maintained, and packed personnel parachutes. I kept accountability of equipment and organized shelves with a forklift. I also managed a training room for higher ranking officials, using excel and word, along with other various programs to keep track of numbers and statistics of our company.

#### Skills Used

I used technical manuals to inspect parachutes and was trained and certified to drive a forklift.

### **Customer Service Representative**

First National Bank of Edinburg - Edinburg, TX - March 2008 to March 2009

#### Responsibilities

I managed customers accounts through the computer, answered customers questions and inquiries. I made stop payment requests and closed out lost debit cards.

#### Skills Used

I'm very familiar with computer programs such as; Microsoft Word, Excel, and Powerpoint.
