

Cheng Wan

Software Engineer at Microsoft

Summary

N/A

Experience

Software Engineer at Microsoft

February 2015 - Present

Master Student at Rice University

August 2013 - December 2014 (1 year 5 months)

Undergraduate Research Assistant

September 2011 - May 2013 (1 year 9 months)

Senior Thesis: "Looking for Majorana Fermions on Topological Insulators using Tunnel Junctions"

Awarded by department of physics: Excellent poster speech on senior thesis

Made tunnel junctions using sputtering machines and evaporators.

Utilized LabView and modern experiment equipment to study topological insulators.

Undergraduate Student at University of Illinois at Urbana-Champaign

August 2009 - May 2013 (3 years 10 months)

President

April 2012 - April 2013 (1 year 1 month)

Awarded by University of Illinois at Urbana-Champaign: Yuki Llewellyn Award for "Outstanding Asian American Student Organization"

Hosted more than 20 major events, each having over 200 participants.

Led 149 board members and officers and built a bridge between Chinese students and local society.

Education

Rice University

Master of Electrical Engineering, Computer Engineering, 2013 - 2015

Activities and Societies: Rice Chinese Students and Scholars Club, Society of Asian Scientists and Engineers

University of Illinois at Urbana-Champaign

Bachelor of Science (BS), Condensed Matter and Materials Physics, 2009 - 2013

Activities and Societies: Chinese Students and Scholars Association at UIUC

High School Affiliated to RenMin University of China
