WORK EXPERIENCE

BIOLOGY LAB ASSISTANT

WHARTON COUNTY JUNIOR COLLEGE - December 2014 to Present

Helping the biology professors in any way necessary, which include preparing substances, compounds, and medium for use in the biology/microbiology labs. I was specifically selected by the biology professors for this position.

SWIM COACH

ELITE SWIM TEAM KUWAIT - February 2013 to July 2014

Teaching children ages 2 to 13 on the basics of swimming, and helping them adapt to the water. Problem solving on a case by case basis as each child had his or her unique personality traits that I had to work around/with

SUMMER CAMP COUNSELOR

AMERICAN SCHOOL OF KUWAIT - June 2013 to August 2013

Mainly managing the computer labs and helping the children use the technology present. At other times, I would assist in large scale activities for the kids.
