

Muin Momin

Software Engineering Intern at Microsoft

Summary

I'm a software engineer and an aspiring entrepreneur. I like coming up with clever solutions to challenging puzzles and I enjoy doing technical projects in my free time. My main educational interests lie in computer vision, artificial intelligence, and big data/data science.

To learn more about me and view my resume, check out my personal website: muin.me. To see some of my projects that I have done on the side and am currently working on, view my github profile: github.com/muinmomin.
