Objective

A reliable, trustworthy, responsible, always on task and hardworking student who is seeking an opportunity to gain valuable skills and experience that will benefit the organization and be utilized towards future career goals.

Experience

Game Stop

June 2015 - Present

- Great Customer Service. As a customer walks in the store I greet them warmly asking them what they are interested in and suggest them various games they might be interested in while also explain the deals we have for the week.
- Let people know through social media the deals we'll have for the week, which helps us with our weekly profit.
- Cashier. While checking out the stuff the customer takes I nicely offer them our in store yearly membership explaining thoroughly the benefits they will receive when they purchase it. Before they leave I once again offer them reservations and all the benefits they will receive the sooner they pre – order the game or console.
