Samuel Lowry

230 Osa Avant Rd | Downsville, Louisiana 71234 | slowry96@gmail.com | (318) 791-7241

OBJECTIVE:

My goal is to obtain a position in software development and forward my experience in the world of technology.

EXPERIENCE:

Institute for Micromanufacturing   Ruston , Louisiana   July 2014 - May 2016
IT Technician

- I was responsible for the Institutes computers and workstations. I worked with the parent university to implement a Dell ticket system to manage and support a wide range of problems. I serviced science labs, linux workstations, Windows, noded simulation machines, VMware installs, and network printers in an enterprise environment.

Wintersmith Computers   West Monroe , Louisiana   August 2013 - August 2014
IT Technician Intern

- I was responsible for maintenance and restoration of customer's computers and devices. I was involved with retail sales and installation of computers in home and business applications.

EDUCATION:

West Ouachita High School   West Monroe, Louisiana   May 2014
High School Diploma, GPA 3.5
Honors:

- Honors for outstanding performance in physics
- Honors artistic excellence

Louisiana Tech University   Ruston, Louisiana   Current - Expected May 2018
Undergraduate
Bachelors in Computer Science

SKILLS:

- 3 years of experience in Java
- 2 years of experience in C++
- 5 years of experience using linux and terminal
- 5 years of experience of repairing and building desktop computers
- 2 years of experience in networking and managing a simulation lab
